Keith Area School Policy is as follows:

For special events, not part of specific subject, curriculum or school programs, permission from parents for students to participate in the event or activity is required. This includes such events as Religious Education Seminars.

For events requiring attendance outside of the school, whether part of the curriculum or not, permission notes from parents are required. Information regarding the nature and purpose of the event should be given at the time permission is requested.

Please note the Child Protection Curriculum is mandated by the Department for Education,
