

Primary student use of mobile phones and personal devices policy

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Personal devices (including mobile phones and smartwatches) are to be stored in the student's bag or handed to the front office for secure storage. Items in bags are stored at own risk.

If the student does not comply

Misuse of mobile phones or personal devices may result in disciplinary action which includes but is not limited to the device being confiscated. Confiscated devices will be taken to the front office for secure storage and parent contacted. Confiscated devices will remain in secure storage until they are returned to a parent. Where there is a repeat of misuse or refusal to follow reasonable instruction to hand in a device when asked, we will refer to the school behaviour management policy which may include further steps such as admin time out, internal suspension or suspension.

Students

Comply with the requirements of the school's policy and follow all reasonable directions from the Principal and school staff.

If permitted to use a mobile phone or personal device in line with an exemption under this policy, do so in a safe, responsible and respectful way and support peers to do the same.

Communicate respectfully with others and do not use a mobile phone or other personal device to bully, harass or threaten another person.

Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

Parents

Support the implementation of the school’s policy, including the consequences for non-compliance with the policy.

Use the school’s formal communication channels in all instances to communicate with the school (including where a student requires early collection from school). Encourage their child to always report to a school staff member in the first instance if they become unwell or experience an issue at school.
